

HOUSE PUZZLE 1

I sent you SMS instructions on how to find me. Could you figure out which house I live in?
When you're done, color my house! Then draw your house for me.

I don't live next door to the church.
My house has more than two windows.
My house is not the smallest nor the largest.
My house does not have an odd number of windows.
I don't have a neighbor with a grey roof.
